## **Intern (m/f/d) Client Coverage – Financial Institutions in Frankfurt**

Is it not magnificent to experience the world anew every day from different perspectives? With impulses from 41 countries and the power of 15,000 creative minds. With attractive clients and the special spirit of our bank that sets us apart. Come to ING Wholesale Banking and make the difference.

### **Your Tasks:**

Our Team is responsible for managing ING's global relationships with German financial institutions. They demand a broad range of financial markets and investment banking products as well as tailor-made banking solutions globally. As an intern, you will support our relationship managers with their assigned client portfolios. It will be your job to collect and analyse relevant client and sector information in order to generate business ideas and prepare presentations. In addition, you will assist our team with credit applications and „Know Your Customer“ processes. By working together with relevant product specialists as well as relationship managers around the world, you will see what financial institutions coverage is all about.

### **Your Profile:**

- › Enrolled in a Bachelor's / Master's degree in economics or similar or in a gap year between Bachelor's and Master's degree programmes
- › Ideally first experiences in banking, corporate finance or asset management
- › Proactive, client-focussed and a reliable team player
- › Able to work in an international environment and eager to learn about various aspects of banking
- › Proficient in MS Office
- › Fluent in English and German, both spoken and written
- › **Available for 6 months (please specify the exact period incl. start date in the cover letter)**
